

# FocusPRO™ 5000 Thermostat

Honeywell's FocusPRO™ 5000 digital thermostat offers the perfect blend of features and value that deliver the highest degree of temperature control accuracy. With the largest back-lit screen in its class and its easy-to-read digital display, FocusPRO prominently displays both room and set temperature.

Plus, FocusPRO has all of your favorite features like soft-key controls, simple maintenance, and easy battery replacement.

# FocusPRO™ 5000 Thermostat

*Simplicity And Comfort That's Easy To See*

**#1 Choice of Homeowners—**
